

GRADUATES LOVE LRAP

LRAP is dedicated to serving students and families. We provide support throughout the student lifecycle, from enrollment through graduation. After graduation, if a student has a modest income, he or she can depend on LRAP to help them repay their student and parent loans.

92%

of graduates said they felt grateful to their alma maters for providing them assistance with paying back their loans.
2016 LRAP Graduate Satisfaction Survey

I work in a public school, and LRAP enabled me to graduate from my university of choice AND pay off my student loans while doing what I love.”
