

NEED A LAST-MINUTE ENROLLMENT LIFT?

DEBT CONCERNS CAN FREEZE ADMITS IN THEIR TRACKS. LRAP CAN HELP PROVIDE THEM WITH PEACE OF MIND TO ENROLL.

Many students remain on-the-fence about their college decision because of concerns about student and parent debt. Offering LRAP can help provide the additional peace of mind admitted students and their families may need to enroll.

Using LRAP to Move Admitted Non-Deposit Students

For one LRAP partner college...

Offer LRAP broadly at no cost; only pay for students who enroll & borrow.

Boost late enrollment deposits easily with LRAP. LRAP is a turn-key solution—just send a list of names and we'll get to work communicating the LRAP offer to applicants and their families.

LRAP is low-risk, high-reward. Since clients only pay for the students who actually enroll (and borrow), LRAP is a low-risk commitment that can have powerful results.
